

# Justin Golownia | UX Designer

---

## MISSION

I'm looking to support and collaborate with a great team of passionate creators working on important problems. I have the prowess of UX design thinking, and a passion for people as a former educator, to help you shape the best solutions for all users of your product, cause or service.

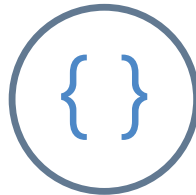

**Phone:** (262) 719-5405  
**Email:** jmgolownia@gmail.com  
**Portfolio:** justingolownia.com  
309 Park St. #6  
Fort Atkinson, WI

### Communication

Presenting to Audiences  
Copywriting  
Style Guides and  
Documentation  
Remote Collaboration

## EXPERIENCE

### UX Design Apprenticeship | Jan. 2015 - Jun. 2015 BLOC

- **Collaborated remotely with a professional Design Mentor** to develop my process and techniques as a UX designer.
- **Produced UX deliverables** including User Stories, Personas, User Flows, Wireframes and Mockups.
- **Built and launched live prototypes** for a Fundraising Platform, iOS App, and SaaS landing page using Front-End code.
- **Tested prototypes with users and iterated based on feedback.**
- **Evolved pre-existing visual design and front-end development skills.**
- **Created original branding and visual identities for concepts** throughout project tasks to meet product and user needs.

### Social Studies Educator | Aug. 2012 - Present Fort Atkinson High School, Fort Atkinson WI

- **Managed and engaged an average of 140 students daily** across 3 subject areas in 4 regular and 2 Advanced Placement courses
- **Presented, simplified and organized complex information.**
- **Collaborated daily with colleagues** to strengthen coursework, monitor student progress and implement new learning strategies.
- **Redesigned classroom layout and aesthetics to improve classroom behavior** based on observations of student-environment interaction.
- **Served as interim Department Chair coordinating scheduling and budgeting** for the next fiscal year.
- **Built strong relationships with students, families and community stakeholders** through various forms of communication.

## TOOLSET PROFICIENCY
